Dear David Kirby,

Thank you for completing your course evaluation!

ECE345001 Intro to Control Systems

**2020 Fall Course Evaluations**

**What To Do With Your Certificate of Completion**

If your instructor requires proof of completion, please forward this certificate to your instructor's email.

**Do not** use 'reply' or 'reply all' as this may result in **only** sending your certificate to the Course Feedback Support Team, and you will **not** receive credit for completion.

Thank you,
